

# THE INDUSTRIAL REVOLUTION

## TASK

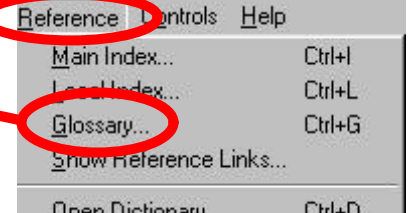

This exercise will improve your:

- HISTORICAL UNDERSTANDING
- ICT SKILLS
- LITERACY.

Follow the instructions below to get started!

## INSTRUCTIONS

① When the CD-Rom starts (you hear some music) select **Reference** from the menu at the top, and then select Glossary.

② A glossary appears, listing all the words.

③ You need to search for all the words listed below, and find out the definition of each word. Move up and down the list by clicking the arrows 

Write your own glossary. Later you will explain each definition.
