This CD-Rom will test your knowledge.  
**ONLY TAKE THE TEST IF YOU THINK YOU KNOW LOTS ABOUT THE CAUSES OF WORLD WAR TWO**

Carefully follow these steps to help you start the quiz

① When the CD-Rom starts (you hear some music) select **Contents** from the menu at the top, and then select **Quiz...**

② Now double-click on **Causes of World War II Quiz** (Causes Quiz)

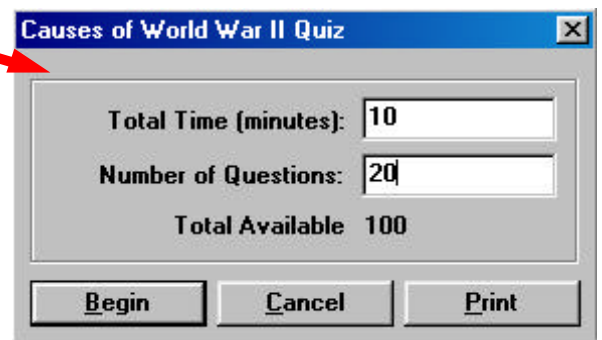

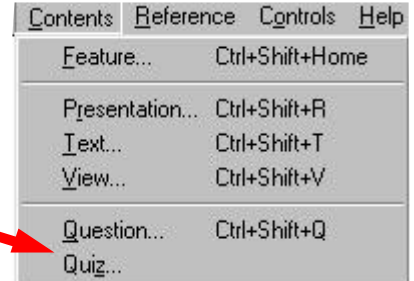

③ A menu now appears, like the one below. Change the default options so:  
Total Time : 10, and Number of Questions : 20

④ Now press **Begin** You have 30 seconds to answer each question!

⑤ To answer each question, just click on

- a)
- b)
- c)
- d)

⑥ If the question asks you to press **Page down for answers** click on the arrow at the bottom right of the screen

## YOUR TIME IS RUNNING - TRY AND GET ALL THE QUESTIONS RIGHT!

When you finish the quiz you get a Results screen. Note down the percentage you got correct.

In the table, look through and find the questions you got wrong. Press PAGE UP / PAGE DOWN to see the later questions. Follow the directions below:
