

WORLD WAR ONE

TRENCH WARFARE

**T
A
S
K**

Using the CD-Rom you need to research and find out information relating to each question heading.

HOW CAN I RESEARCH THIS CD-Rom?

Firstly, click on CONTROL PANEL (bottom right of the screen)

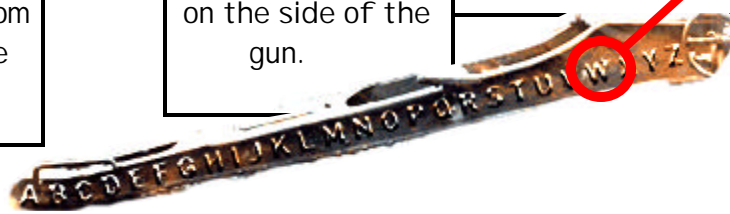

Select INDEX

A new screen appears. The INDEX is written on the side of the gun.

Click on the letter you need. E.g. for **War**, click on **W**

A list of articles (if available) appears relating to your search

Click on the article to research that area

HINTS

You are looking for information on Trenches – so firstly do a search under T

Don't write everything down! Carefully look at what the question asks.

1 WESTERN FRONT - 1914

- Explain 'the race for the sea'.
- How successful was Ypres for Germany?

2 ROUTINE

- What time of day was Stand-To?
- What often happened after the first Stand-To?

3 CONDITIONS

Why did soldiers become "like wild animals"? Use evidence to back your answer up.

4 DESERTION

- What was desertion?
- Why do you think some of the firing squad were only armed with blanks?

5 SNIPERS

Find some evidence that shows how accurate snipers were.

6 GAS

- When was gas first used?
- What were the "necessary measures" that some Russians used?

7 TACTICS

- What played a vital role before attack?
- Why were many soldiers killed by their own fire?

STUCK ?

When you have finished with one article press RETURN (at the bottom right of the screen) to return to your INDEX SEARCH

Some articles have more than one page of information. Click on the left / right arrows to view other pages.
