The Jacobite Claim to the throne

Use this diagram of the kings and queens of Britain in the 17th and 18th centuries for the questions.
The kings and queens are the ones who have dates under their names.

1. Complete this table (some are done for you as a bit of help!)
You should put them in the right date order.

Name of King or Queen	Dates as ruler of Britain
	1603 - 1625
King Charles I	
Queen Mary & King William	1689 - 1702
	1714 - 1727
King George II	

2. What was the name of King James II's son? (clue: he never became king!)
-

3. What was the name of King James II's grandson? (clue: he was never king!)
