

T0: COMRADE LENIN
FROM: POLICY ADVISER
RE: ECONOMIC POLICY

I feel I must submit this report in order to warn you of the economic consequences of pursuing War Communism.

Since War Communism was introduced Industry has

Agriculture has been affected as well. For instance

There is growing opposition among workers. One group called the Workers' Opposition has

There are worrying signs of unrest in the military. For example at Kronstadt naval base

Comrade Lenin, I urge you to make sweeping changes to you economic policies. Might I suggest you
